

New user enrollment & Box basic installation - EN

 This procedure guides you on creating user on mobile app, set up your box, and link all systems on NODitech.

Mobile app account creation

 A screenshot of the NOVIA care mobile app's login screen. The screen has a white background with a dark red header bar containing the word "Login" and a user profile icon. Below the header is the NOVIA care logo and the text "Welcome to NOVIAcare app". There are two input fields: "E-mail address *" and "Password *". Below the password field is a "Forgot your password?" link. At the bottom, there is a "LOG IN" button, the word "OR", and a prominent red "Create your account" button. At the very bottom, there is a link that says "Need help to connect Contact us".	<p>Open the mobile app and click on "Create your account"</p>
